Find Time to Play 9

Have you ever wanted to try Golf? Do you have trouble getting to regular golf because of commitments with children? Do you have health issues, or time issues, that make 18 holes too hard? Do you dream of watching your little white golf ball soaring down the fairway, and dropping in that impossibly small hole in the ground?

We have just the game for you.

Boyup Brook Golf Club has a 9 hole competition for women on Thursdays. You will need to be at the Club by 9.00am, to commence at 9.30 am. You should be finished by 12.00 noon with time to have a cup of coffee and a friendly chat by the fire with the other players.

Those finishing 9 holes I would like to reward one person each week with a ball. One ball each week to go to someone who has completed 9 holes (this award is only given to the person once) or the best specky golf story, best putt, best drive, best chip. It is hoped this little reward can be shared around but the group will decide who it will be.

Over the last few years we have tried several different starting times to work in with people's busy lives. The popular vote is earlier the better so 2017 we are asking you to come at 9.00am (time to drop kids at school), get your clubs ready and get one or two tips per week on the game and be ready to hit off at 9.30am.

This could be a regular event for you, or if you find the game irresistible, you could move on to the full 18 hole competition in time.

For those beginners who are not sure whether they will want to continue, we can provide clubs to start out with. Please contact me if you need clubs.

Starting day will be Thursday 4th May 2017.

To get a feel of the golf stick you are warmly welcome to come to Ladies Opening Day at the Golf Club (Six Mile Rd) on Wednesday 26th April. This is a fun 9 hole competition where you will play in a team of 3 and everyone hits their ball from the team members best shot.

It is nice to do something with friends so please feel free to ask along your friends – a great way to catch up. If you know of anyone who you think might be interested to take up a new sport or interest or return to golf please forward this email.

Call Lyn Willett on 0427644064 or email: [willett 359@gmail.com](mailto:willett359@gmail.com) to register your interest or to simply ask questions. You can visit our website at www.boyupbrookgolfclub.myclub.org.au for further information.

Looking forward to hearing from you

Cheers

Lyn
